Measure, Appointment or Topic: HB2995

I oppose HB2995. Burdening the tax payer further to fund a reparations bill for slavery for people who were never slaves, by those of us who were never slave owners, in a State that was never a slave state, in a time 8 generations removed from slavery, is absolutey bonkers! This makes no sense unless you are attempting to use "reparations" as yet another money laundering vehicle, much like USAID has been doing for decades.

Be a responsible representative. Oppose this nonsense.
