

Submitter: Susan Lafferty

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water

Measure, Appointment or Topic: HB2977

I strongly support this bill. A 1% increase will have a negligible effect on visitors to our State and will not stop them from coming. In fact, they come to Oregon because of our natural resources which includes our wildlife. Conversely, 1% investment in the conservation of our wildlife can have a great impact on the habitat and survival of our at risk wildlife. Please pass this bill. Thank you for your time and consideration.
