As a B&B owner, I fully support raising the state TLT to 1.5% to help fund this "1% for Wildlife Bill." One of the things my visitors love most about staying at my B&B is watching the pair of bald eagles that nest in a tall pine tree behind our house, the river otters that frolic in the creek below, or the efforts by beavers every year to build dams in the creek. I'm sure none of them would mind paying an additional 0.5% to help support this bill. Wildlife is important to residents and visitors to Oregon. Please support this bill and support our wonderful wildlife.
