This is absolute insanity. Perhaps we need to educate Travis Nelson, Shannon Isadore, James Manning, and Andrea Valderrama on the history of Oregon and its absence of slavery. I vehemently oppose this absolute nonsense of a bill. Even if the cost of living wasn't one of the highest in the Nation, here in Oregon, I would never support such a ludicrous bill. Why don't you stop wasting taxpayer dollars on insanity and come up with some solutions to the homeless (and not just funneling money into the Democratic party reserves) and bigger issues in Oregon. I thought Oregon Democrats couldn't get more out of touch with bills such as 'Black Drag' and "Green Policies", but this takes the cake.
