On Behalf Of:

Committee: House Committee On Emergency Management, General Government, and Veterans

Measure, Appointment or Topic: HB2995

Hb 2995 sets up a committee to justify reparations to black citizens of Oregon who were never slaves. These reparations will come from people who never owned slaves. This bill is just another way to divide Oregonians. Oregon never had slavery . This bill if passed will cause an influx of people to our state, much the same way "legalizing" every narcotic drug down to a misdemeanor if possessed. Why aren't we tackling; homelessness, drug abuse, veterans mental health crisis and a host of other more urgent problems.

Vote no on this bill.
