NO on Reparations HB2995

This is a regressive tax on Oregon taxpayers that were not part of nor have been racist. Oregon left those laws, regulations and policies behind us long ago. To levy this tax, anything that robs our Treasury, on Oregonians now is punishment for something we did not do.

Besides, Oregon is in debt. Until and unless our Legislators work to fix our sorry financial situation, there is no good purpose to consider increasing debt.
