Committee: House Committee On Emergency Management, General Government, and Veterans

Measure, Appointment or Topic: HB2995

This is the most asinine bill I've ever read. You want to use my, who never owned slave, tax dollars to give to another Oregon citizen that was never a slave. My family never owned slaves. I even have access to a letter written to the Continental Congress by my ancestor requesting that slavery be banned before we were ever a country!

This is a No vote.
