Measure, Appointment or Topic: HB2528

I oppose HB2528, the labeling of nicotine as being as harmful as Tobacco. I quit smoking tobacco in 2001. A nasty habit, I started in HS in 1960 when it was being cool to smoke. Many people use nicotine products to quit cigarettes, which I applaud. I oppose giving the OHA unelected bureaucrats so much authority to be able to tax and ban products without a vote of the people that use these products responsibly.
