Measure, Appointment or Topic: HB3644

On HB3644

No! No! No! This is a knee jerk reaction by Governor Kotek to once again get into the pockets of Oregon's taxpayers by creating an emergency measure. HB3644 is not the answer for our state's malfeasance with our tax dollars.

Oregon already designates millions in funds for the homeless

The Federal government through

HUD provides funds to counties for homeless services

The Metro homeless tax has collected \$1 Billion in 4 years!

WHY would we want to spend more money on to add ANOTHER LAYER of administration! Why add another layer to a system that already lacks accountability!
