

Submitter: Adele Dawson

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water

Measure, Appointment or Topic: HB2965

Please support HB 2965-5! As an Oregonian I'm very concerned about allowing net pen aquaculture in our coastal waters. It is a fact that aquaculture of fin fish causes environmental and economic harm. Why do you think the state of Washington recently banned aquaculture of fin fish completely. Let's learn from their lessons. There is no place for fin fish aquaculture in Oregon!
