

Submitter: Shirleen Lawson

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB2965

Please support HB 2985!

My family has fished Oregon's estuary waters and ocean waters for 2 generations. It is extremely important to me that big business fish farms are prohibited from exploiting these waters for private profit while destroying the pristine natural resource that these waters are.

Protect Oregon's waters from toxic fish farms!
