I OPPOSE [HB 2925].

I am concerned as to the level of enforcement.

Sure, the upgraded permitting regimen is an improvement but, how is the Oregon Parks and Recreation Department going to enforce the permits and are the permit violations just a 'slap on the wrist' or are the permit violations designed to hurt financially and to deter bad conduct? I do not think so.

The Oregon Parks and Recreation Department does not appear to curb the excessive noise from "Dirt-bikes, ATVs and Dune-buggies" that continue to plague nearby property owners and Beach-goers.

It is a shame the Oregon Parks and Recreation Department cannot or will not restore law and order on shore lands.
