On Behalf Of:

Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or
Topic: SB427

Dear chair Golden, Vice Chair Golden, Vice Chair Nash, and members of the
committee,

Senate bill 427 safeguards our streams by ensuring the voluntary water rights
changes won't further diminish streamflows. The narrow fix closes a dangerous
loophole and brings modern environmental values into Oregon's outdated water
rights transfer review process.

I urge you to support SB 427 and the life-sustaining stream flows it will safeguard.

Thank you,
Kathleen Boylan
