

Submitter: Mahalia Lind-Diamond
On Behalf Of:
Committee: Senate Committee On Health Care
Measure, Appointment or Topic: SB61

As a mental health clinician, I would be extremely negatively impacted by clawbacks from Medicaid. Through my own experiences, as well as hearing from colleagues, clawbacks have dissuaded clinicians from taking certain Medicaid clients. Clawbacks from Medicaid have caused have dissuaded many clinicians from taking state insurance. My hope is that this measure will make it more sustainable for clinicians to work with Medicaid companies, and in return provide more stable and reliable care to the public.
