On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water

Measure, Appointment or Topic: HB2965

This is to ask that you support HB 2965-5. As an Oregonian, it's important to me that we protect our beautiful coastal waters from the harms of industrial aquaculture, which has been proven to cause destruction to the environment. I love this country and shudder when I see the damage done by this awful industry. Let's follow the rest of the west coast and ban these operations.

Thanks for allowing me to submit this message!
