

Submitter: David Wall
On Behalf Of: Mr Oregon OPPOSES SB 92
Committee: Senate Committee On Energy and Environment
Measure, Appointment or Topic: SB92

I OPPOSE [SB 92].

From the TEXT of [SB 92],

"...SECTION 1....

...(9)(a) Except as otherwise provided in this section, owners and subscribers shall bear the costs and benefits of constructing and operating a community solar project...

...(d) Owners and subscribers shall bear all ongoing costs incurred during the continued administration of the program established under this section...."

Look at the language carefully.

Beware of legalities of becoming, "...owners and subscribers..." of 'community solar projects.'

Mr. Oregon Concurs.
