

Submitter: Marsha Wilson

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water

Measure, Appointment or Topic: HB2965

There was recently a "leak" in a fish tank in Norway that allowed the total Farmed Fish population to escape into the wild!!! This put the entire wild fish population at risk for disease!! These farmed fish tanks should NOT be allowed. They pose an immediate danger to the wild fish population!!!
