

Submitter: Floyd Gregorich

On Behalf Of:

Committee: House Committee On Commerce and Consumer Protection

Measure, Appointment or Topic: HB3179

To all concerned: Thank you for this opportunity to voice my considered opinion regarding this matter. As a rural property owner where a well is a necessity this bill shouts government overreach as well as a back door path to yet another tax in the guise of a fee and yet another expansion of an already bloated state bureaucracy.
