Measure, Appointment or Topic: HB2995

I oppose this Bill. As a Black women, I am ashamed of the stupid ideology of this bill. I was taught as a very young child to "learn" in school and not accept handouts or special "gifts", money, etc., just because you are Black. This is just another way to enslave Black people; to depend on the corrupt government to give you money of which you have not "earned". STOP trying to buy Black people and rescue them for your votes. Only a "fool" would vote for this bill. Black people don't need your slave blood money, because WE ARE NOT SLAVES!
