Committee: Senate Committee On Veterans, Emergency
Management, Federal and World Affairs

Measure, Appointment or Topic: SB667

The office of the US President has been gaining more and more power. The power of war is the most terrible power and recent Presidents have been sending our armed forces, including the National Guard, to war zones without the Constitutionally mandated Congressional declaration.

SB667 is a step towards addressing Presidential overreach and restoring our balance of power.

I hope you will support SB667 and make it Oregon law.
