Chairperson & Honorable Members of the Committee,

I adamantly OPPOSE this bill. In my opinion, this bill should be sent to the conduct committee as I feel the sponsors who introduced it are in conflict with ORS 244.040. It is obvious that the sponsors of this bill could gain a financial and/or nonfinancial benefit from this bill.

I am also opposed to this bill because I believe that anyone born after the Civil Rights Act of 1964 has not been affected by the same racial inequality as those prior to the act passing. In my opinion, there are also other minorities who have faced hardships far more recent than just those of African-American descent.

Please don't move this bill forward. It appears to be a racial inequity of all other races if you do.

Respectfully,
