

Submitter: Ericka Rodriguez

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB2965

As an Oregonian, I strongly encourage you to support HB 2965-5. It's crucial that we protect our coastal waters from the dangers of industrial aquaculture. The evidence is clear—history and science show the risks. We need to act now to prevent fish escapes and pollution caused by net pens and cages.
