

Submitter: Bill Lansing

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3103

I am a retired Certified Forester with over 50 years of managing private forests in Oregon, Washington, Idaho and Alaska. I am a strong advocate of sustainable forest management in all Oregon Forests. There has been an erosion of the amount of wood products being produced by our State Forests as other single purpose uses have taken over the management of these publicly owned resources. I strongly support the concept of Sustained Yield management of our forest assets in Oregon.
