

Submitter: Candice Fuller

On Behalf Of:

Committee: House Committee On Emergency Management, General Government, and Veterans

Measure, Appointment or Topic: HB2995

I strongly oppose this. How long do we have to keep paying for the sins of our ancestors past? Slavery was and is horrible and unhumanitarian. The people that endured slavery are no longer here . We can educate on the horror of slavery but to pay restitution to families that never were the actual slaves is wrong This only causes more division in our society. Please vote no
