

Submitter: Capt Brad Fry

On Behalf Of:

Committee: House Committee On Emergency Management, General
Government, and Veterans

Measure, Appointment or Topic: HB2995

I oppose this measure as a citizen of the United States and the State of Oregon. Remembering a time around the Civil War when democrats and republicans joined together to vote a new party opposed to slavery. We need to come together once again to ensure the pandering stops. As a veteran and merchant marine master I have served in all regards with "Minority" members of our Navy, merchant marine and unions. This does nothing but divide us. Stop this experiment now.
