I oppose this bill lowering the voting age to 16 y/o. We have a voter age of 18 y/o currently, & honestly since the human brain doesn't mature until 25 y/o this is still too low for responsible voting. An individual of 16 y/o can barely handle the responsibility of driving a vehicle, yet alone voting for implications that will affect those that come after through the education system. Our school system needs improvement, not more obfuscation.
