

Submitter: Sandra Joos

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water

Measure, Appointment or Topic: HB3103

Dear Co-Chairs Helm and Owens, and Members of the Committee,

I am writing to express my opposition to House Bill 3103 and its amendments. This timber industry bill undermines the state forest habitat conservation plan and would result in more clearcuts, more lawsuits, less habitat for salmon and wildlife, and less carbon storage. All of these outcomes run counter to the best interests of the people, wildlife and habitats of Oregon!

Therefore, I urge you to oppose this bill. Instead, I encourage this committee to focus on measures that would increase carbon storage in our state forests and safeguard our public resources for our children and future generations.

Please don't let this bill pass out of committee.

Sincerely,

Your Name Here
