

Submitter: Angela Zehava

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB2965

Please support HB 2965-5.

As an Oregonian, it's important to me that we protect Oregon's coastal waters from the harms of industrial aquaculture. It has been ****scientifically proven**** that net pen aquaculture of fin fish causes environmental and socioeconomic harms. For this reason, these operations have been banned or severely restricted in other West Coast states. Please vote to prevent an influx of such operations to Oregon.
