Measure, Appointment or Topic: HB2995

I am opposing this bill because we are all Americans! We all deserve the same American dream. Slaves were not just selected by color or race. As Americans we need to provide equal rights to all. Equal rights are not based on race or religion. Passing taxes on to any ethnic background for another ethnic background is a strong division that I feel is against our constitutional rights. We are all Americans. We fight for American Rights, not racial rights. We all have the ability to have a job, vote, serve our country, run for office, protect ourselves from threats and speak up so our voices are heard! I do not feel HB2995 will bring unity to our state, in fact I'm pretty positive it will do just the opposite. We shall not be defined by race or religion and only as Americans! Please consider what this divisional bill will do to our state before signing on it!
