Measure, Appointment or Topic: SB641

I live in West Eugene and I am vehemently against the People's Republic of China (PRC), along with its agencies and entities under the jurisdiction of China from buying or leasing our farmland here in Oregon. Our farmland should be reserved for Oregonians and their posterity to work, prospering our citizens. China intends to take control of our country and that makes them a threat to our freedoms. You should not allow foreign nations to get a foot in the door to set up Communist activities, and bring in forces illegally to be protected by Oregon's sanctuary state. We made that mistake in the 1980's allowing Rajneeshees to set up a ranch city in Central Oregon.

I am requesting that you vote YES on SB 641. Thank you.
