

Submitter: Kirstin Wilson

On Behalf Of:

Committee: House Committee On Behavioral Health and Health
Care

Measure, Appointment or Topic: HB3439

I am Naturopathic Physician providing care to patients with complex concussion and hypermobile syndrome needs. They often cannot find this care adequately through Medical Doctors. We provide care equal and sometimes above the care of MDs and deserve to be paid equally. Thank you for considering this pay parity.

Dr. Kirstin Wilson
