

Submitter: Mary Jo Mann

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3103

I oppose HB3103 because it will threaten safe drinking water for the half-million residents who rely on state forest watersheds.

HB 3103 would negatively impact important natural resources: fish, wildlife, clean water by prioritizing clear cuts of forests.

I urge you to vote no on this measure.
