Committee: House Committee On Emergency Management, General  
Government, and Veterans

Measure, Appointment or Topic: HB2995

This is raciest nobody alive has ever been a slave in The United States, and nobody alive has owned another person either. What about all the Irish slaves in America are you including them? How about including everybody who was drafted into the military? We were all made slaves while the rest of the nation went about their business. Again, I state this is a raciest bill proposed by raciest people.
