On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water

Measure, Appointment or Topic: HB3103

Dear Co-Chairs Helm and Owens and dear Members of the Committee,

I strongly urge you to reject House Bill 3103 and its amendments. This is a timber industry giveaway, and it sweeps away years of collaborative work to create a sustainable State Forest Habitat Conservation Plan and Oregon Department of Forestry's Climate Change and Carbon Plan. It imperils Oregon's future, ecologically and economically, and in this era of naked greed, we need our State Legislature to work on measures that increase carbon storage in our state forests and safeguard our public resources for our children and future generations.

Please don't let this bill pass out of committee.

Sincerely,  
Candace Larson
