

Submitter:	Jeffrey Kihn
On Behalf Of:	Carpenters Local 541
Committee:	Senate Committee On Judiciary
Measure, Appointment or Topic:	SB426

I am former representative for the carpenters union. I have seen many carpenters and laborers get stiffed on wages with no recourse from the GC or owner to get the pay they are owed. This would be a huge step forward in making Contractors and General Contractors responsible for payment for the labor that was performed on their projects. Thank you.
