

Submitter: Harlan Wright

On Behalf Of:

Committee: House Committee On Behavioral Health and Health  
Care

Measure, Appointment or  
Topic: HB3439

Hello

Please support parity for Naturopathic Physicians.

Health care choice is very important today.

Please pass the parity bill to help keep costs down. So people that choose  
naturopathic care can afford it.

This is about respect and fairness.

Thank you

Harlan Wright
