Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3103

I grew up in a state that had Timber jobs and Timber income that paid for our schools and infrastructure.

I believe we need to get back to that.

Save the loggers save our homes save our air and our playground.

Let the private sector save us from the wildfire seasons we currently experience.

Log trees don't let them burn!!!!
