

Submitter: Richard Weinhold

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB2965

I'm an Oregonian and live 5 minutes' walk from Heceta Beach, just north of Florence. "Industrial Aquaculture", using net pens cause serious harm to the fish contained within them and to the environment (water) containing them. Please support HB2965-5, and outlaw net pens in our coastal waters.
