Measure, Appointment or Topic: HB3194

To House Committee on the Judiciary,

I am a farmer in the mid-Willamette Valley who leases ground, I encourage you to oppose HB 3194. I am also located close to the Urban Growth Boundry, a good portion of our farm sits directly on the line. This has added increased pressure for keeping people out who want to "camp". HB 3194 concerns me in its over reach that I will have increased liability. As a landowner I can not watch all of my properties on a daily basis,

HB 3194 would curtail farmland lease agreements in Oregon due to liabilities outside ethe landowner's control.

Please oppose HB 3194

Regards,
John Zielinski
