On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3103

Committee: Kill HB 3103 now. For-profit corporations constantly look for ways to profit from destroying the commonwealth, including publicly-owned state lands and forests. Protect Oregon State forests from extractive / destructive profit-seekers. These players are the true welfare queens, profiting from their political allies and their self--imposed entitlement to destroy what is maintained by tax payers.
