

Submitter: Faye Yoshihara

On Behalf Of:

Committee: House Committee On Climate, Energy, and
Environment

Measure, Appointment or
Topic: HB2679

I write in support of HB 2679. As an OSWA member, I do not agree with the position the organization is taking to oppose this bill. Please help protect our pollinators with common sense legislation by passing HB 2679.

Thank you,
Faye Yoshihara
