

Submitter: Susanne John

On Behalf Of:

Committee: House Committee On Commerce and Consumer Protection

Measure, Appointment or Topic: HB2528

Maybe if the OHA managed their money better, you wouldn't need to constantly go back to tax Oregonians and the businesses more. More money clearly is not working. How about you look for fraud and waste and stop giving free healthcare to illegals and help our own citizens and vets, many more becoming homeless everyday. Start running the government like a business instead of a welfare program
