

Submitter: Donna Bleiler

On Behalf Of:

Committee: House Committee On Rules

Measure, Appointment or Topic: HB3012

Committee members, I'd like to point out that all the supporting testimony submitted are from students, seeking their own interest and not the greater good. Reading their testimonies makes that clear. In each case they have avenues to address their complaints to the school principal or superintendent. School boards priorities go beyond their individual school complaints. It illustrates their self-interest and lack of understanding of the board as a governing body.
