

Submitter: Robin Bloomgarden

On Behalf Of:

Committee: Senate Committee On Energy and Environment

Measure, Appointment or Topic: SB88

I strongly support SB 88! These monopolies should not be able to use ratepayer money to pay for lobbying costs and other activities that guarantee they will be able to raise rates in future. They are making plenty of money for their investors already. Stop the steal!

Please move this bill out of committee to a full vote in the Senate.
