

Submitter: Ron Jordan

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB2965

It's important to me that we protect Oregon's Coastal waters from harms of Industrial aquaculture. It has been scientifically proven that net pen aquaculture of fin fish causes environmental socioeconomic harms and we want Oregon to prevent and influx of such operations now that they are banned or seriously restricted on the rest of the west coast.
