

Submitter: Margaret Stephens

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3103

I oppose House Bill 3103 and its amendments. This bill is a backward step for the health of the Oregon forests we love. The priorities for Oregon's forests should be policies protecting fish and wildlife habitat, clean water and recreation. This bill prioritizes timber harvest, undermines the new State Forest Habitat Conservation Plan, prevents ODF from implementing its Climate Change and Carbon Plan and will result in continued litigation.

Please reject this bill and do not pass out of committee.
