**NO! NO! NO! ENOUGH IS ENOUGH!**

The Government and all its agencies, agents, and employees exist by the will of the people, for the benefit of the people. Agencies of the government have ZERO authority to undermine the vote of the people. Just because many Democrats, including Govern Tina Kotek bow to the money of extremist lobby groups, does not make their greed the problem of Oregon adults to make choices of personal liberty. **OUR BODIES OUR CHOICES!**

It is obvious that this has ZERO to do with life, health, and death. If that were true, than we would not make lifetime patients out of children by giving them puberty blockers and gender affirming surgery. If it were about saving lives, abortion up to the minute of birth in Oregon would not exist. **YOUR HYPOCRISY IS NEVER ENDING!!** Keep your vote off our choices and off our bodies. If adults in Oregon choose to vape, it is NONE of your business. Plus you are all screaming Oregonians need to pay more taxes, but plan to eliminate items that are taxed, businesses that are taxed, and jobs that pay taxes. You have ZERO logic.
