

Submitter: Bridgett Heinly

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3103

I am writing to oppose House Bill 3103 and its amendments. This timber industry bill undermines the state forest habitat conservation plan and would result in more clearcuts, more lawsuits, less habitat for salmon and wildlife, and less carbon storage.

I am urging you to oppose this bill. Instead, I encourage this committee to focus on measures that would increase carbon storage in our state forests and safeguard our public resources for our children and future generations.

Please don't let this bill pass out of committee.
