

Senate Bill 985

Sponsored by Senator NASH, Representative LEVY B

Presented below is a Letter of Testimony in Support of **Senate Bill 985**

Chair Golden, Vice Chair Nash and Committee,

The proposed amount of \$2,000,000.00 appropriated to be deposited into the Wolf Management Compensation and Proactive Trust Fund by July 1, 2025 is imperative. The funds would allow appropriate compensation to be distributed to the Counties and Ranchers in preventing and/or recovering from direct and indirect impacts of Wolf activity. Wolf activity does not stop so the prompt July 1, 2025 commencement date is eminently desired. I, Katie Sites, as an individual, Baker County CattleWomen President, and Member of the Baker County Wolf Depredation Compensation Committee, fully support **Senate Bill 985**. Thank you for your time and consideration.

Best Regards,

Katie Sites
