

Submitter: annie capestany

On Behalf Of:

Committee: House Committee On Climate, Energy, and Environment

Measure, Appointment or Topic: HB2038

This is a very biased bill and is very bad policy. I don't want a government that operates like this. In any decision made by the state, or the DOE, the good, bad and the ugly should be considered. We cannot only look at one side of the issue. On a common sense level, this is a dangerous bill. Vote NO.
